22. [] LIAISON Anne, in the office of Representative Morgan F. Murphy (D., Ill.), called regarding the map the Congressman had requested showing narcotics smuggling routes throughout the world. She said that the Congressman would be back on 7 September and I told her that I hoped to have a draft ready for him by that time.

25X1

23. [] BRIEFING Called Henry Myers, Special Consultant on nuclear matters, House Interior and Insular Affairs Committee, and told him that I had been unable to locate his clearances and asked for additional information on the chance that Chairman Morris K. Udall (D., Ariz.), House Interior and Insular Affairs Committee, would request that he be allowed to sit in on the briefing on the [] matter scheduled for 23 August. We eventually located his clearances.

25X1

24. [] LIAISON Alan Bennett, of GAO, called to ask what CIA-derived comment he might make in his study on the impact on the Federal Government's cost of doing business abroad of the 1976 changes in Sec. 911 of the Tax Code (Journal item 16, 5 August 1977). We agreed on some possible language, which I said I would submit to the appropriate officials here for consideration and a reply to Bennett.

25. [] CONSTITUENT Apropos the 17 August request of Representative Ted Risenhoover (D., Okla.) to the A/DDCI for information for singer Johnny Cash on the threat of kidnapping in Italy, I received comments from [] DDI [] and [] O/SA/DO []. For the purpose of referring Cash's business manager, Lou Robbin, to the State Department for further advice, Lyle Miller, OLC, called State's office of the Assistant Secretary for Congressional Relations and received the name of Robert Pugh, Legislative Management Officer, 632-9532. I left word at Robbin's telephone number in California for him to call me on 23 August on the matter.

25X1

26. [] LIAISON Jacques Gorlin, in the office of Senator Jacob Javits (R., N.Y.), called to request by noon on 24 August unclassified figures on Soviet/Eastern European indebtedness to Western countries (current), on the debt service ratio increase for those countries to the West since 1971, and on non-OPEC less developed countries' (LDCs') debt to the U.S.S.R. and Eastern European countries (current). Gorlin first had contacted [] OER/Eastern Europe, whom he knew through the Government "old boy network" from his service at the Treasury Department; [] referred him to DDI [] who referred him to OLC. I passed the request to [] DDI []
